**FROM THE MINISTER**

***THE LORD IS RISEN! He is Risen indeed, Alle-  
luia!***

How wonderful it must have been for Mary to see Jesus and know that he had come alive! On Easter Sunday morning, after Mary of Magdala sees that the stone has been removed from the entrance of the tomb, she runs to tell Peter and the Beloved Disciple. They run to see that the tomb is empty. Jesus is alive! One can only imagine their excitement.

Easter is the most important festival in the Christian calendar but I wonder how many of you will wake up on Easter day to find that they had got an Easter Egg, or how many you will give away? Indeed, some churches are preparing to give away Easter Eggs. But ever wondered why we give eggs at Easter, why do people decorate hard-boiled eggs, and go egg rolling? Why an egg at all? And what's so important about eggs at Easter?

Questions, questions, questions! An egg looks as though it is dead, it looks like a stone, but something alive comes out of it. An egg represents the tomb of Jesus, out of which he appeared alive at Easter after dying on Good Friday.

Easter began in the dark and in the tomb. The Easter we celebrate is an invitation out of darkness into the light of the risen Christ. It is that light which enables us to tell that darkness has ended and day, in the form of light and newness, is on its way back to us.

Easter Sunday marks an important season in which the church will celebrate for more than just one day, but through to Ascension Day, 10<sup>th</sup> May; forty days after the resurrection and when

Christ's spirit ascends to heaven.

Jesus alive ... that's the amazing news about Easter. It is therefore important that we make a great fuss and deck our churches with all the bright and cheerful Easter flowers, because it takes place in Spring, when all the world of nature is coming to life again...., well when the weather goes according to plan and no SNOW!

Friends, Easter is about our being made 'New again'. The second letter to the Christians at Corinth reads: "*When anyone is joined to Christ they become a new being: the old person has gone, and a new person has come*". And so in this wonderful promise of Easter, of light and new life, I send you our warmest wishes and the blessings of the risen Christ! Above all, enjoy your EASTER EGG!

***Alleluia, He is Risen! He is risen indeed, Alleluia***

#### **ROUND THE FAMILY**

Our Church family is mourning the death of Thomas Tchine on 24th February. Thomas had been unwell for some time, but his sudden death was a shock to many of us. Thomas served as one of our Church Stewards and was always willing to help in church activities. Members of the Church were privileged to join with the Ivory Coast community in a service of Thanksgiving for Thomas's life before the funeral in the Ivory Coast. Our thoughts and prayers are with Alphonsine, Olivia, Grace and John at this sad time.

Please also remember Anita Yusuf who is recovering from a knee operation and Joan Loring, who has had another stay in hospital following a fall.

## GENERAL CHURCH MEETING

The Annual General Church Meeting is to be held on Sunday 22nd April as part of the morning service. The Constitutional Practice and Discipline of the Methodist Church (CPD) says that “The meeting shall be held for fellowship, for mutual counsel respecting the condition of the Local Church, including its financial affairs, for the election of church stewards and representatives and for any other purpose which the Conference may direct.”

During the Meeting we have reports about the various parts of our church life e.g. Finance, Property, Junior Church, fellowship groups etc and we elect representatives of the church community to serve on the Church Council for the next year. The Church Stewards are also appointed at this meeting.

Further details of the meeting, together with nomination forms for representatives to serve on the Church Council, and for Stewards, will be distributed shortly. If you would like to know more about what is involved in being a member of the Church Council, or serving as a steward, please speak to me or Abe.

## **CHANGES TO THE SUNDAY MORNING SERVICE**

Following the Church Visioning Review held at the end of last year, the Church Stewards have been considering the responses received from the congregation about some of the matters raised in the Review.

Fellowship There was concern that there were limited opportunities for fellowship after morning service, and for the chance to speak to new people coming to the church. Although it was acknowledged that some members engaged them in conversation, it was felt that this would be more effective over a cup of tea after the service. Also, many members of the congregation only see each other on a Sunday, so a chance to chat over a cup of tea would be welcome.

Time of morning service. In view of the above, it was recommended by the stewards that the time of the morning service be changed to 10.30am. The Church Council discussed this matter at their last meeting and voted to recommend to the General Church Meeting that the time of the morning service should be changed to 10.30am to give more time to enable further fellowship after the service. This decision will be discussed at the General Church Meeting on Sunday 22<sup>nd</sup> April, following which a final decision will be made.

Please think carefully about whether you are in favour of the time of the morning service being changed to 10.30am. Would this affect other things you or your family do on a Sunday? If you have children, would an earlier start time mean a rush to get everyone ready in time? Are there other reasons that would make an earlier start inconvenient for you? Conversely, an earlier start time may be beneficial for you if you have other things you have to do on Sunday afternoons. Some churches in the Circuit already have their morning service at 10.30am, so preachers are used to an earlier starting time.

If you have any questions about the proposals, have a word with one of the Stewards, and if you are unable to be at the General Church Meeting, please let me or one of the Stewards know your opinion on the proposed change.

**NEWS FROM LIVING HOPE**

Dear Friends,

Thank you for your continued support of Living Hope. I understand that it has been a while since you have heard from Living Hope. Living Hope school is extremely grateful for your continued support and prayers. All the children and school are progressing well and the school is growing from strength to strength.

At the beginning of last year, I visited the school just to see how everything is progressing. When I got to see the children they definitely looked a lot bigger than last time I saw them. It was a great joy to see them growing in their learning and confidence. Most of the children are now using computers for educational games, such as English language and Maths. One of the teachers commented that the computer games have made learning fun for the children.

During one of the weekends, I took all of our teachers to visit libraries and a museum in Lahore. The purpose of the visit was to get some inspiration and ideas to inspire their teaching. It was a great experience for them. Most of the teachers had never been to a museum, so it was all new to them. They took lots of photographs that they could take back to school to show the students.

Now it is nearly the end of their School year. At the end of March, the students will move to their next class.

Your prayers and support are making a huge difference to our students' and teachers' lives. In the next few years, we will have helped many families to educate their children. With our school, we are breeding hope and confidence in young minds which is going to make a huge impact for many years to come!

Please continue to pray for the work of Living Hope and its community,

Thank you,

God bless,

Imran

**OXFAM**

Normally when I place an article about OXFAM in the magazine I tell you a little of the work they are currently engaged in.

Because of the recent sad events that have come to light I felt I should let you know that we, at Anerley Church, will be continuing to support the work that OXFAM is doing.

The behaviour of a few people, we feel, should not affect our concern for the needs of those living in poverty and destitute situations. Neither should we remove our support for the staff who continue to work and help those in desperate need.

Our Pledged Giving will continue and if anyone would like to contribute on a regular basis I will be more than happy to add you to our list of contributors.

Thank you.

Valerie
